## **Rating and Vetting Program**

The KCRCC has developed a process of informing local voters about candidates running for both partisan and non-partisan offices. We have found that some candidates who subscribe to be Republicans do not necessarily hold strong Republican values. Furthermore, Precinct Committeemen are frequently asked for information about candidates and issues. The Precinct Committeemen's job is to know their constituents and to keep them informed about candidates and ballot measures.

For this reason, the KCRCC has implemented a Rating and Vetting Program whereby candidates are rated by the Precinct Committeemen.

### **FOR CANDIDATES:**

#### **Rating Criteria:**

We will be searching for and rating men and women of good character, virtue and integrity, and who hold constitutional and traditional values.

The KCRCC encourages candidates to participate in this process and other opportunities to present themselves to the voters such as forums, town halls, social media, speaking before the KRCC, and "Meet and Greets."

#### **Please answer the following questions:**

1. Do you have experience as an elected official and if so, what was your position, and how would you describe your voting record?  
Yes, I was a Commissioner for Kootenai County Fire District Sub District 3. I was conservative and very fiscally responsible.
2. Please tell us about your activity as a Republican. Have you previously voted for candidates of other parties? If yes, explain.  
I believe I did when I lived in Montana in the 80's.
3. What is the purpose of government?  
The purpose is to represent the people. Government officials are elected by the people and should represent the people that they serve. Government should also minimize taxes and be frugal with our money
4. Describe why you are running for this particular office. What are your qualifications? What are your goals?  
I am running for this office because I want to continue be to be involved in my community. I was a Post Falls Volunteer Firefighter in the mid to late 90's and have an interest in continuing to assure that KCFR continues to provide the best service possible to the members of this community but yet remaining fiscally sound.
5. Describe experiences where you are or have been engaged such as non-profit organizations, clubs, churches, boards, commissions, etc., where you have been of service to others. I am a past commissioner for KCFR, I was involved in the Kootenai County Office of Emergency Management where I worked with numerous volunteers. I have coached Jr. Tackle Football (8 yrs.), Hockey (12 yrs.) and Little League baseball (7 Yrs.). I am currently a volunteer firefighter with Hauser Lake Fire District, I have been there approx. 13 years.
6. Do you describe yourself as fiscally conservative? Please, elaborate.  
I do consider myself fiscally conservative. People work hard for their money, and they expect individuals IE., Commissioners, City Council to spend their money wisely. They expect each elected person to really evaluate how and where the money is being spent.
7. Do you consider yourself as socially conservative? Please elaborate.  
My family and I are very socially conservative. We do not go out much and we are very cognitive of our actions in the public.

8. Describe which party platform best aligns with your positions on public policy (Republican, Democrat, Libertarian or Constitutional Party) and where do you disagree with that platform.

I best line u as a republican. I believe in the US constitution and firmly believe in the 1<sup>st</sup> amendment, Freedom of speech. I believe that we currently spend to much money on to many social services and should expect the receivers of this money should put something back into the system.

9. Do you have any history of tax liens, criminal record, bankruptcy, or conflict of interest that may affect your future decisions or desirability to be voted into office?

No.

10. Describe how you will make yourself available to your constituents and vote as their representative with FORTITUDE, adhering to the values and answers you have stated above.

I have always had an open-door policy; my phone number and email address are available to everyone. I would like to periodically go out and meet with the constituents to maintain that connection. I would attend as many public events as possible and encourage KCFR to continue to go out into the public and attend as many events as possible.

The answers to these questions will be the basis of the ratings you will receive and the issues we would like addressed by you in other settings.

In previous elections there have been cases where two well-rated candidates running against a third poorly rated candidate will “split the vote”

leaving the poorly rated candidate with the win. In such a case where two candidates may split the vote, the KCRCC Election Committee will encourage the candidate with the second highest rating to drop out and run again at a later time.

Those who fail to respond to this questionnaire will likely receive lower ratings.

Please respond by the date requested of you, typically soon after the candidate-filing deadline.

### **FOR COMMITTEEMEN:**

The Rating and Vetting Program is designed to assist the KCRCC in getting information to the voters in your precinct through walking, mail, social and other media, and passing out sample ballots. In order to identify the very best candidate for each race, your job as an elected Precinct Committeeman is to vet then rate using the criteria above stated AND by confidentially contacting each other for additional information. It is your obligation to submit final ratings at a time and place designated by the Election Committee.
